

Privacy Policy

Privacy Policy

The security of your personal information is very important to us. In an effort to protect your personal information, we use Secure Sockets Layer (SSL) technology with 128 bit encryption. If your browser supports SSL (most current browsers do), it will automatically encrypt the information you provide to us on the secure pages on our site, before sending it over the Internet. All of the customer data we collect is protected against unauthorized access by physical security means.

When visiting a page on our site that includes any of your personal information, you will see on the bottom of your browser window, an icon of a closed lock or an unbroken key (depending upon your browser), this indicates that you have successfully connected with our secure server.

To authenticate the security of your connection before submitting any of your personal information, you can double click on the icon to display our digital certificate.

In order to most efficiently serve you, credit card transactions and order fulfillment are handled by established third-party banking, processing agents, and distribution institutions. They receive the information needed to verify and authorize your credit card or other payment information and to process and ship your order.

Cookies: When you use our site, we will store cookies on your computer in order to facilitate and customize your use of our site. A cookie is a small data text file that websites store on your computer's hard drive (if your Web browser permits) that can later be retrieved to identify you to manaprivatelabel.com. The cookies make your use of the site easier, allow you to

retrieve an earlier shopping cart, make the site run more smoothly, and help us to maintain a secure site. You will be unable to shop on our site without your browser set to accept cookies.
