PRODUCT BENEFITS

- ✓ Rich in antioxidants
 - ✓ Protects against photodamage
 - ✓ Gradually brightens the complexion
 - ✓ Light, fast-absorbing lotion
 - ✓ Non-comedogenic
-

Antioxidant Rich SPF30

EVERYDAY DEFENDER SPF 50

Multi-action, mineral-only sunscreen provides powerful broad-spectrum defense against UVA/ UVB and blue light in a hydrating, antioxidant-rich, self-adjusting tinted facial lotion ideal for

a broad range of skin shades. It helps blur enlarged pores, fine lines, age spots, and acne marks, renews skin's barrier, and repairs visible signs of aging while shielding from cell damage and signs

of aging caused by environmental aggressors.

Features micronized Titanium Dioxide, Zinc Oxide, and a self-

adjusting mineral tint for gentle, long-lasting protection from burning UVB light, burning and aging UVA light, and skin-damaging blue light from sunlight

and electronic devices, including phones, tablets, computer monitors, and television screens. All three are suspended in a gentle, biologically inert silicone emulsion that spreads sunscreen protection evenly over the skin without streaking or stinging the eyes.

It may be worn alone or under makeup.

Water-resistant. Does not contain mineral oil, skin-drying alcohols or harsh preservatives. Reef-safe. Vegan.

Titanium Dioxide | gentle mineral sunscreen defends from UVB

Micronized Zinc Oxide | the gentlest broad-spectrum UVA/UVB sunscreen available

Hyaluronic Acid | bioactive moisturizer and mega-hydrator

Niacinamide (Vitamin B3 derivative) | soothes visible redness and other signs of irritation, revives skin's moisture barrier for comfortably hydrated skin

Green Tea Leaf Extract | soothes while calming signs of redness

Allantoin | powerful soothing molecule originally derived from comfrey root

Tocopheryl Acetate | time-released, age-fighting Vitamin E; protects skin's natural radiance while shielding damage from environmental free radicals

Tetrahexyldecyl Ascorbate | exceptionally stable, time-released Vitamin C creates a reservoir of antioxidant activity for long-lasting visible repair of sun damage

FRAGRANCE Grapefruit essential oil

pH None

SOLUBILITY Water-in-silicone emulsion

Home Care | Pump sunscreen in a straight line onto the inside of the top two fingers of the hand. Apply over moisturizer and/or serums to the face, neck, and ears 15 minutes before sun exposure or 2 minutes

before applying makeup. Reapply after swimming or sweating. As part of an effective age-fighting program apply every morning throughout the year whether outside or indoors
