

Body Buff Scrub

Why Body Buff Scrub works so well:

Body Buff Scrub has Lavender oil, which helps reduce inflammation, age spots, blotchiness, and redness

Apricot Seed powder contains linoleic and oleic fatty acids, leaving the skin moisturized and hydrated. Vitamin B17 has anti-inflammatory properties. Apricot Seed Powder is rich in the antioxidant Vitamin E, which targets free radicals and reduces oxidative stress in cells. Apricot seed powder is a gentle exfoliant sloughing away dead cells.

Pumice Powder is an exfoliant that removes dead skin cells which clean pores.
