

Cell Restore + Phytic Acid Moisturizer

Cell Restore + Phytic Acid Moisturizer Key Benefits: [Medical-Grade Product](#)

Grape Fruit Cell Extract (Vitis Vinifera)

- Powerful antioxidants of proanthocyanidins, polyphenols, flavonoids, and anthocyanins
- Red grapes contain resveratrol
- helps fight free radical damage
- protect skin against UV and environmental stress
- Increases skin tolerance to UV light

Apple Stem Cells (Malus Domestica Fruit Cell Culture Extract)

- fights signs of chronological aging
- improves the appearance of fine lines and wrinkles
- Activates dormant stem cells
- protects skin cells' longevity

Phytic Acid

- a natural substance found in plants and acts as a skin brightener and antioxidant that brightens skin
- has exfoliant properties due to it being an AHA to buff away dead skin cells
- helps stimulates collagen

Shea Butter

- protects and moisturizes the skin and highly emollient
- reduces skin swelling

Yeast Extract

- mix of amino acids, sugars, and proteins that act as super hydrators

- appears to have wound-healing properties
- increases the production of collagen

Lactic Acid

- an AHA derived from sour milk and has a better water intake than glycerin.
- has the ability to increase the water=holding capacity of the corneum layer of skin
- improves the elasticity of the skin
