

Cream Shadow

What It Is

Creamy, long-wearing shadow applies with ease and dries down to a smooth, demi-matte finish.

Buildable coverage formula may be applied sheer for a natural look or built up for extra drama. For increased intensity, apply a complementary shadow shade on top to maximize the effect.

Formula is cake & crease resistant.

Paraben-free, Fragrance Free.

How To Use Apply directly onto lids with fingertips or Medium Crème Brush. Blend.

Close cap tightly after each use or shrinkage can occur
