

Cucumber Foaming Gel Cleanser

Our Cucumber Foaming Gel Cleanser features soothing botanicals. Schizophyllan reduces irritated skin and has antioxidant properties to neutralize damage from airborne pollutants. B3 is available to stimulate the synthesis of ceramides.

Our cleanser does a super job at clearing dirt, impurities, and dry or dead skin cells which minimizes the appearance of pores, fine lines and uneven skin tone.

Cucumber has anti-inflammatory benefits and is antioxidant rich which fights oxidative damage from free radicals.

Cucumber is loaded with Vitamin C making it great for brightening skin tone and diminishing hyperpigmentation.

Collagen Production is boosted by the folic acid and caffeic acid cucumber contains.

How To Use

Dispense into wet hands and rub together lightly before cleansing. Rinse off and pat dry. Follow Key Ingredients with moisturizer if desired.
