

Dark Circle Relief Smoother

Features and Benefits: Vegan-Kosher (No wheat, rye, barley and oats)–Paraben Free–Gluten Free Free–BHA Free–Cruelty-Free

Coconut Oil (Caprylic/Capric Triglyceride)

- Emollient
- Softens and smooth
- Antioxidant

Shea Butter (Butyrospermum Parkii Butter) is a natural moisturizing factor derived from the Karite fruit from the African magnolia tree.

- Significantly increases the hydration of superficial layers of the epidermis.
- Helps Soothe & Protect

Jojoba Oil (Simmondsia Chinensis (Jojoba) Seed Oil)

- Moisturizing
- Antioxidant

Sunflower Seed Oil (Helianthus Annuus (Sunflower) Seed Oil)

- Skin Conditioning
- Emollient

Niacinamide for blemish-prone skin that smooths and brightens.

Arbutin is an antioxidant that helps enhance and even out overall skin tone.

Aloe Vera (Aloe Barbadensis Leaf Juice) is derived from plant leaves and is widely recognized as a botanical miracle. This efficient, soothing natural plant fluid comprises 20 amino acids, minerals, calcium, iron, zinc, magnesium, sodium, potassium, and mucopolysaccharides (a naturally occurring moisturizer). Since 1500 B.C., this plant has been successfully used for various skin care applications. Ancient Egyptian, Greek, Chinese, Roman, and Arabian herbalists used this potent resource for healing and soothing burns, epidermal

inflammation, cuts, wounds, and insect bites.

Naturally contains:

- Vitamins A, B, B2, B3, B6, B12, C, and E.
- Minerals calcium, iron, copper, phosphorus, sodium, magnesium, chromium, and zinc.
- Amino acids, protein, enzymes, and humectants.
- Anti-inflammatory.
- Antibacterial properties.
- pH nearly identical to our skin

Tranexamic Acid helps fade and prevent dark spots.

Kojic Acid inhibits and prevents the formation of tyrosine, an amino acid needed to produce melanin. Melanin is the pigment that affects hair, skin, and eye color. Because it inhibits melanin production, kojic acid can have a lightening effect.

Azelaic Acid helps brighten skin tone and visibly improves skin texture due to a high concentration of azelaic acid—a natural and effective antioxidant in grains. It has a lower irritation potential than other direct acids, so it's gentle enough for daily use as part of your skincare regimen.

Ascorbic Acid is a naturally occurring organic compound with antioxidant properties.

Phytic Acid

- Antioxidant
- Exfoliant AHA helps prevent blackheads and acne-prone skin

Licorice Root Extract (Glycyrrhiza Glabra (Licorice) Root Extract) helps fade and prevent dark spots.
