

Detox + Firm Masque

This masque helps reduce the look of fine lines, wrinkles, dullness, uneven skin tone, and texture for a smoother, healthier, more youthful-looking appearance. Replenishes and nourishes as it fights environmental damage and stressors that cause the skin to appear tired, sluggish, saggy, and listless. The complexion looks and acts more like healthier, younger skin.

Detox + Firm Masque's unique combination of soft absorbent clays, skin-tightening bio-sugars, and energizing and detoxifying plants, this treatment visibly lifts devitalized and sluggish skin, absorbs excess oil, purifies pores, and removes polluted surface cells while minimizing signs of aging

Active Ingredients

Bentonite | mineral clay that absorbs excess oil and surface cells

Kaolin | highly absorbent, deeply cleansing mineral clay

Safflower & Avocado Oils | help repair the skin's natural barrier for an ultra-silky texture

Pullulan | water-soluble polysaccharide; forms a firming, hydrating barrier that provides surface tightening for stressed & fatigued skin while visibly lifting tired, dull, sluggish skin

Mung Bean Stem Cells | protect collagen and ECM (extracellular matrix) from harmful environmental conditions and photo-damage, reducing signs of sensitivity in addition to enhancing firmness and elasticity

Organic Indian Ginseng | boosts cellular energy and dynamism, protects from screen-emitted light, fights digital pollution, and restores skin vitality

Mucor miehei Mushroom | mildly exfoliating mushroom that improves skin's smoothness, clarity and moisture

Butterfly Bush and Thyme Complex | Buddleja Davidii (Butterfly Bush) and Thymus Vulgaris (Thyme) provide outstanding synergistic protection from free radicals, ozone, cigarette smoke, and other forms of city stress and environmental pollution that accelerate skin aging

Kale Protein Blend (Kale, Carrot, and Lemon) | designed to condition and moisturize while fighting the signs of aging and sun damage

Moringa Tree Peptides | clarifies the complexion and removes environmental particles embedded in the pores

Does not contain silicone, PEGs, mineral oil, petrolatum, lanolin, synthetic fragrance, parabens, or colorants.

FRAGRANCE Rosemary, Lime, Tangerine, and Armoise

pH 5,5

SOLUBILITY Clay Suspension

How to Use: Apply a thin, even layer over clean skin and leave on for 10-20 minutes. Remove thoroughly with tepid water. Use 1-3 times per week
