## Hyaluronic Acid Antioxidants Serum

## The Powerhouse Key Ingredients:

Hyaluronic Acid is naturally produced by the body mainly in eyes, joints, and skin. 1/4 of a teaspoon of Hyaluronic can retain 1 1/2 gallons of water. Which keeps your joints painfree and your skin more flexible. Hyaluronic Acid is a great wound healer and softens scars.

**Resveratrol** can increase or reproduce fibroblast cells which aids in more fibroblast activity and contributes to the increase in the concentration of collagen which keeps skin healthy and boosts its elasticity.

**Potent forms of Vitamin C** and **Antioxidants**. Vitamin C benefits include helping form and maintain bones, cartilage, skin, and blood vessels. As an antioxidant, it also fights free radical damage by helping remove the substance ROS (reactive oxidative species). ROS are free radicals that result from converting food to energy, environmental aggressors that lead to oxidative stress causing cell damage
