

# Instant Soothe + Hydration Masque

Soothe red, visibly irritated, sunburned, and dehydrated skin instantly with this cooling, comforting blend of profoundly hydrating MicroHA™, Dexpanthenol, calming Allantoin, corticoid-like Cortinhib, and ultra-soothing Inoveol® EGCG.

Acts within minutes for hours of relief. This high-potency formula features laboratory and clinically-studied action ingredients at their dose-dependent percentages to deliver instant, long-term calming, deep, long-lasting hydration.

Inoveol® EGCG (Epigallocatechin Galllyl Glucoside) | highly stable, time-released form of the active antioxidant complex from Green Tea (EGCG) quickly relieves visible redness and calms signs of inflammation

Cortinhib (Helichrysum Italicum Extract) | inhibits the visible effects of cortisol, controlling signs of aging due to stress; anti-inflammatory, anti-allergic, and antimicrobial.  
Allantoin | powerful anti-redness agent; calms visible irritation within seconds

MicroHA™ (Hydrolyzed Sodium Hyaluronate) | ultra-small molecular weight Hyaluronic Acid with superb biological activity

Panthenol | returns skin's moisture level to normal; supports skin's quick repair

FRAGRANCE None

pH 5.8

SOLUBILITY Water-based gel

Home Care | Smooth a thin gel layer over clean, dry skin. Wait

10-20 minutes (masque will not dry). Wipe off the gel. Remove thoroughly with cool water.

Does not contain fragrance, essential oils, propylene glycol or parabens. Dermatologist-tested.
