

# Multi-Peptide Firming Neck Cream

Velvety and Luxurious Multi-Peptide Firming Neck Cream contains two highly effective skin remodeling peptide groups. Matrixyl™ 3000, an oligopeptide and cell-messaging complex, targets tissue-producing cells to enhance firmness and resculpts the area of the neck, jawline and décolleté for a smoother and visibly lifted.

Eyeliss®, a anti-puff complex and a blend of skin-strengthening flavonoids and elasticity-enhancing peptides that reduce slackened skin tone and visibly refirms flaccidity in the hard to repair neck area.

Toniskin® an age-fighter and antioxidant-rich Cranberry Oil. Toniskin helps revive fatigued skin, support repair and improve overall tone. Cranberry Oil, a vitamin E-rich barrier repair oil, contains all 8 members of the vitamin E family for full-spectrum protection from environmental radicals and pollutants.

Does not contain fragrance, colorants, lanolin or parabens. PH 5.6 a Water-based emulsion

How to Use: Generously smooth over clean skin on the neck and décolleté morning and night. Follow with sunscreen in AM.
