

Omega-Rich Cleansing Oil

Lightweight

A balanced blend of nourishing. Olive, Safflower, Sunflower, and Jojoba oils dissolve dirt, makeup, and unwanted skin oils while antioxidant-rich Rosehip and Borage oils revitalize the complexion and protect the skin's barrier.

Seabuckthorn Oil | rich in Omega 3, 6, 7, and 9, oil from this Superfruit replenishes lipids lost due to aging and revives the skin's barrier for soft, supple, and healthy-looking skin

Olive, Safflower, Sunflower, and Jojoba Oils | a quartet of cleansing oils removes impurities while protecting the skin's natural moisture barrier

Maracuja Oil | Passionfruit Seed Oil from the forests of Brazil. Rich in Linoleic Acid, Omega 6, and antioxidants to protect and renew the skin's natural moisture barrier, revive hydration, and improve skin's firmness and texture

Argan Oil often referred to as "liquid gold", Vitamin E and essential fatty acids repair and replenish moisturizing barrier lipids

Rosehip Oil | rich in antioxidant Vitamins A & C and barrier-replenishing Linoleic and Linolenic Acids revives skin's smooth and youthful appearance

Borage Oil | provides essential lipids to smooth rough skin and reinforces skin's natural barrier

Does not contain colorants, mineral oil, parabens, phthalates, or toluene

How to use.

Apply a pea size oil to dry skin and around the eyes. Massage

gently over dry skin. Moisten fingertips with water and massage for additional 30-60 seconds, until the oil turns into a light, milky emulsion.

Rinse with warm water.

To Remove Heavy Eye Makeup: Apply oil onto a moist cotton pad. Gently press over the eye area for a few seconds before sweeping the makeup away. If advised, follow with another cleanser suitable for the skin type/condition.

Caution: Should not be used with lash extensions

Has the Fragrance of essential oils of wild mint, eucalyptus, lemon peel, orange peel, petitgrain, lavender, and Bois de rose

No Ph and is oil-soluble
