Refresh+Hydrate Green Tea Cleanser

Green Tea is rich in antioxidants and nutrients which can neutralize free radicals that damage the skin. Green Tea protects the skin's moisture barrier by it being rich in vitamin E and fatty acids. Green Tea (Camellia sinensis) is loaded with anti-inflammatory properties which can lessen skin irritation and redness.

Key Ingredients

Aloe Barbadensis Leaf Juice is anti-inflammatory, soothing, and astringent. Excellent for sensitive skin rosacea and dry skin.

Green Tea (Camellia Sinensis) is an excellent antioxidant that helps in alleviating dry or oil skin by bringing the skin's natural moisture content back into balance. Antioxidant properties help protect the skin from free radical damage and aid in the healing of previously damaged skin,

DIRECTION

Apply a small amount to pre-moistened skin and gently massage. Rinse well with water. It may be used twice dai
