

Soothe + Calm Aloe Cleanser

A soothing cleansing milk for sensitive or dry skin. Cleanses the skin without over-stripping.

Key Ingredients:

Aloe Barbadensis Leaf Juice has been recognized as being anti-inflammatory. Its effects are soothing and astringent. Aloe is excellent for sensitive skin, rosacea, and dry skin.

Lactic Acid treats dry and sensitive skin as it smooths and promotes healing. The multi-purpose benefit of moisturizing and exfoliating make it ideal for acne, surface dehydration, fine lines, and mild hyperpigmentation. Derived from sour milk, lactic acid has a better water intake capacity thanks to glycerin and is agreeable to even the most sensitive skin types.

Allantoin is a botanical extract derived from comfrey roots. This extract aids in the healing of scarred skin by stimulating new tissue growth.

Chamomile Flower Extract (*Chamomilla Recutita Matricaria*) is anti-inflammatory, soothing, decongesting, antiseptic, and toning. It is considered anti-itching and antibacterial with the ability to neutralize skin irritations.

Ginseng Extract has anti-aging, and anti-inflammatory benefits, rejuvenating the skin and boosting circulation.

DIRECTIONS FOR USE

Apply a small amount and gently massage. Rinse well with water. May be used twice daily.
