

Triple Acne Relief Gel

Triple Acne Relief Gel is formulated with a unique cocktail of extracts, aloe & glycolic acid to help fight and control oil while reducing redness and calming the skin.

Key Ingredients:

Willow Bark Extract and ***Turmeric Root Extract*** are well known for their ability to fight acne and reduce inflammation

Glycolic Acid removes dead cells

Glycerin and ***Aloe*** help remove dryness and hydrate skin

Witch Hazel acts as an astringent to help clean pores and reduce inflammation

Licorice Root Extract helps reduce the appearance of redness and brightens uneven skin tone, dark spots, and blemish marks
