

Triple Action + Nourishing Charcoal Masque

Key Ingredients:

Charcoal: In addition to drawing out dirt and toxins, activated charcoal can also draw out oil from your skin. This means that less oil is built up, and your skin can perform better at combating breakouts. Charcoal fights microbes, which leads to inflammation.

Activated charcoal creates a mattified effect, unlike the shiny effect caused by oily skin. It also controls oil in the skin and reduces the appearance of large pores.

Kaolin clay helps skin appear brighter by gently promoting blood flow and glowy skin. Plus, it keeps blemishes and clogged pores at bay. Helping to minimize the look of redness and irritation, Kaolin Clay moisturizes and tones the skin by improving cell turnover.

Kaolin Clay gently exfoliates dead cells and flaky skin cells.

Lecithin is a natural component of the skin and restores it with its phospholipids, fatty acids, and triglycerides. It can help treat skin inflammation/irritation like atopic dermatitis or eczema. Lecithin helps repair and restore the skin's natural defenses by strengthening the skin barrier. Help skin that has barrier damage,

Lecithin penetrates the skin's surface and transports moisture to the top and underneath layers of the skin., helping to hydrate both the top and the layers underneath. This can help improve skin health and sustained hydration.

How To Use

Apply evenly as a full mask over clean skin or to your T-zone.

Leave on the skin for 10 to 20 minutes to allow the mask to dry. Finish by thoroughly washing the skin with warm water. This mask can be used two or three times per week.
