

# Triple Clear Zinc & Sulfur Masque

Skin with visible imperfections will find fast relief from soothing, pore-purifying Zinc oxide and Eucalyptus essential oil, oil-reducing Zinc PCA, shine-reducing Sulphur, and astringent Witch Haze. This deep cleansing, oil-absorbing masque cools reactive skin as it works in minutes to purify pores, free skin of unwanted oil and surface cells, decongest, and begin drying imperfections. Improvement is evident as soon as the masque is removed. It may be used daily as a 'spot' treatment for troubled areas or as an all-over treatment 1-3 times a week. Does not contain retinoids, benzoyl peroxide, alcohol, colorants, synthetic fragrances, or parabens. Sulfur | Bioavailable sulfur controls excess oil, reduces shine Zinc PCA | sebum-reducing zinc is combined with a hydrating delivery vehicle for maximum activity Zinc Oxide | highly effective mineral complex soothes, purifies, and absorbs excess oil and surface cells Eucalyptus Globulus Oil | cooling, pore-purifying essential oil Bentonite | mineral clay absorbs excess oil and surface cells Witch Hazel (Hamamelis Virginiana Extract) | natural astringent and pore refiner; alcohol-free FRAGRANCE Essential oil of eucalyptus pH 8.3 SOLUBILITY Clay suspension Home Care | 1-3 times a week, smooth a generous amount of masque over clean, dry skin. Allow to dry (masque should be firm at skin temperature). Rinse well with warm water. Blemish Treatment: Apply a small amount of masque directly over the affected pore. Allow the masque to dry. Remove with warm water. Repeat masque once a day until the blemish is gone. For Soothing Signs of Insect Bites: Apply masque to the affected area only. Let dry. Rinse well. CONTRAINDICATIONS | Skin sensitivity to sulfur, essential oils, or plant extracts is possible. A patch test is advised before recommending to highly allergic individuals. Do not use on broken or barrier-damaged skin or if redness or other signs

of irritation occur.
