

Vitamin C + Aloe Toner

Reddened or couperose skin responds quickly to this concentrate of time-released Vitamin C, Aloe Barbadensis and Lemon Bioflavonoids – two of nature's best known agents to control dry, sensitive complexions plagued by red, spider-like veins

Helps reduce redness, softens rough area skin.

Does not contain alcohol, synthetic colorants, synthetic fragrance, formaldehyde-releasing preservatives or parabens

Key Ingredients:

Ascorbyl Methylsilanol Pectinate | stabilized, time-released Vitamin C

Aloe Barbadensis | soothing and hydrating gel of the true aloe; keeps skin calm, moist and supple

Lemon Bioflavonoids | Vitamin C bridging agent, delivers Vitamin C to skin cells to ensure activity

FRAGRANCE Orange essential oil

pH 5.5

SOLUBILITY Water-based liquid
